- Graduation Requirements:**
1. Requirements : In accordance with MCU General Provisions for Study, all undergraduate students must pass the requirements for Service Learning, English Proficiency, Information Technology Proficiency, Chinese Proficiency, Sports Ability, and Basic Professional Skills in order to graduate. Students of Hospitality Management Department are required to pass the professional basic ability test during their study at MCU. The items and scores are as follows: (1) Professional knowledge capability: Before graduation, students must acquire at least two professional certificates in the Hospitality management field; (2) Practical skills and employment competitiveness: Students are required to complete 400 Internship/ hour either on or off campus. Furthermore, each student is to write an internship report and meet the requirements of the employer and the department. **(Graduation status will be used for evaluation.) (3) Problem solving capability: Students must complete at least three graduation course projects for teamwork. Additionally, they are required to make an oral presentation on the project. (Graduation status will be used for evaluation.)**
 2. The minimum credits for graduation is 126 credits, including 28 university-required course credits, 16 School-required course credits for Hospitality Course, 42 department-required course credits for Hospitality Course, 42 department elective course credits for Hospitality Course, 42 department elective course credits for Hospitality Course.
 3. In order to receive the total credits earned for Physical Education courses will be recognized. Additional course credits earned in General Education, Teacher Education Program or courses offered by other departments cannot be counted in the total number of credits required for obtaining a Bachelor's degree.
 4. Students have to earn at least 12 General Education elective credits before graduation, which should include at least one course each from Humanities, Social Sciences, and Natural Sciences. These categories are sub-divided into core and extended courses, and at least one 2-credit course from each subdivision under each category must be completed to qualify for graduation.*
 5. Students in each cohort should earn at least 42 elective credits. Credits of any cross-disciplinary focused course program not listed under the course structure for graduation may be counted towards credits earned in other departments. If other department's courses are approved by the department chair, up to 15 credits of such electives may be counted toward graduation credits. Students can relate Economics (I), Accounting (I), Introduction to Hospitality Management (E) and other required courses with the same name from another department upon approval by the department chair. This practice can be applied to students who entered the university prior to the 2023-24 academic year.
 6. This course outline and the cancellation of prerequisite requirements may be applied to all students admitted prior to 2023-24 academic year.
 7. Graduating students and students in the extended study period who did not pass required courses of Physical Education can receive a maximum of two (2) required Physical Education courses by passing Comprehensive Physical Education I, Comprehensive Physical Education II. This regulation is applicable for those admitted in and prior to 2020-21 academic year.
 8. International students, overseas students of students from Hong Kong and Macao are not allowed at Chinese. They can take the courses of Basic Chinese I & II through International College instead of taking Chinese Literature, Appreciation and Creative Writing I & II. This regulation can be applied to students who entered the university prior to the 2023-24 academic year.
 9. Students who are relating the University Core Required Courses, "Introduction of Artificial Intelligence" or "Software Program Design" can only take courses offered in their own department. If there is a conflict in class schedules or other unavoidable situations, students may take a course offered by another department in the same school with the consent of their original department. (Summer courses are not restricted to this limitation)
